Sign up: http://localhost:3000/auth/register

Example:

```
{

  "username": "admin",

  "email": "admin@admin.com",

  "password_hash": "1",

  "first_name": "admin",

  "last_name": "admin",

  "is_super_admin": false

}
```

Log in: http://localhost:3000/auth/login

```
{

  "email": "oussema@oussema.com",

  "password_hash": "1"

}
```

Edit user: http://localhost:3000/users/:id

See all users: http://localhost:3000/users

See user by id: http://localhost:3000/users

Add project: http://localhost:3000/projects

```
{

  "title": "Projet Test",

  "description": "Description test"

}
```

Edit project: http://localhost:3000/projects/:id

Delete a project: nefs el lien

Add project member: http://localhost:3000/api/project-members/:projectid/add

```
{
  "username": "rrayen",
  "role": "member"
}
```

Delete member: http://localhost:3000/api/project-members/projectid/memberid

Add a task: http://localhost:3000/tasks

```
{
  "project_id": 3,
  "title": "Design Homepage",
  "description": "Initial wireframe",
  "priority": "high",
  "due_date": "2025-06-10T00:00:00Z",
  "assigned_to": 13
}
```

Delete task: http://localhost:3000/tasks/:task id

See all tasks for a project: http://localhost:3000/tasks/project id

see all project members: http://localhost:3000/api/project-members/project id
